CHAMBER OF
COMMERCE

Needs Your Help!

The Friona Chamber of Commerce & Agriculture's Annual Banquet will be held on March 5th, 2024, & this year's theme is F R I E N D S. We feel that in this community you always have a friend & FRIONA will be there for you! But before we start the season, we need to gather donations for this event.

Why Donate?

This annual banquet funds all Chamber events throughout the year such as the Cheeseburger Festival, Maize Days, Miss & Little Miss Friona Pageants, & Christmas in the Park.

What Can I Donate?

Your donation can be in the form of monetary support or an item to be auctioned at the event. There is no limit on the amount of your donation, but we ask that you consider a minimum of \$50. If you donate an item, we ask that you please give an approximate value to better help us coordinate the silent & live auction. All donations must be taken or mailed to the chamber before February 26th, 2024. Those businesses or individuals providing donations will be recognized and thanked.

Thank you in advance for your generosity!
