## A Guide to Dining in Place

### America's restaurants are in a crisis

The coronavirus poses a significant threat to the future of an industry that employs more than **15 million Americans**. That's why we're asking everyone in America to support restaurants and their employees.

It's more important than ever to order delivery and curbside pickup meals. **Help save America's restaurant industry by ordering takeout!**

#### General Information & Tips:

- *This list is not exhaustive.*
- Things are still changing, sometimes by the hour, please understand that this information is correct to the best of our knowledge. We'll update as we can.
- For some places, takeout is new. Please be patient with the restaurants who've had to lay off their employees and figure out this new normal on their own.
- Picking it up yourself will leave more money in the restaurant's pockets.
- **Tip.** Tip large. Many of these places are pooling tips to distribute among their laid off service staffs.
